**Dr. Adam Lowe to highlight the Arculus Secure Authentication Solution for the fintech market during the session, "Secure Your Digital Platform with Just A Tap - Digital Keys For The Ultimate Customer Experience"**

LONDON, March 13, 2023 (GLOBE NEWSWIRE) -- [CompoSecure, Inc.](#) (Nasdaq: CMPO), a leader in metal payment cards, security and authentication solutions, today announced that Dr. Adam Lowe, Chief Product and Innovation Officer, will speak at [Finovate Europe 2023](#) in London on March 15 at 12:00 pm GMT. The event brings together financial institutions, fintech startups and industry experts to explore the latest trends and innovations in the financial technology sector. Lowe's session, titled "[Secure Your Digital Platform with Just A Tap - Digital Keys For The Ultimate Customer Experience](#)," will demonstrate CompoSecure's Arculus Secure Authentication Solution's innovative approach to digital security.

"The Arculus Secure Authentication Solution can revolutionize the way customers interact with financial institutions and I look forward to demonstrating the impact Arculus can have on the future of digital security," said Lowe. "Implementing secure authentication doesn't have to be painful. Arculus is a game-changer because its passwordless security creates an improved experience for businesses and their customers."

Lowe's session will address the challenges of digital authentication security in the financial sector and demonstrate how Arculus addresses these challenges with its custom security solution to allow clients to build multi-factor authentication solutions for their customers through the convenience of a premium metal card. Lowe also will explore the benefits of digital keys, including enhanced security, ease of use and improved customer satisfaction.
